

This book 'Revival Showers'.....
will inspire your faith and impart the zeal in hearts
that are longing to experience the latter rain
outpouring globally. It is written with tears on
knees for years to bring godly cheers for his
specially chosen dears.

Revival is.....

**God's glorious and perfect plan,
For renewing the inner man;
Purifying the Church in His likeness:
To reflect His beauty and holiness,
Humble yourself at His cross and repent;
To flee the coming wrath and judgement:
Surrender today in His mighty hands,
God is your need He alone understands;
Are you weary in life's rough road?
The loving God will take your heavy load.**

What's Revival?

Revival is agonizing not organizing,

It's edifying not entertaining;

Holy life not a jolly life:

Kneeling in tears not rolling with peers,

Trembling in his presence not tumbling;

Humility not publicity:

Soul searching not goal reaching,

Holy fire not worldly mire;

Its Jesus glorified not us magnified. Amen....!
